

CBS International is always open for new talented people, ready to share our success and add to further development of the company. We are well aware of the fact that our success lies in people. Therefore we provide our employees with limitless opportunity to expand on their talent and skills and work at their full potential. We welcome people who share our dedication to excellence, our client-oriented vision and our abiding interest in commercial real estate. Should you see yourself as a part of the winning team, whether as experienced real estate professional or yet as willing to grow into true expert in the field, we'd certainly like to hear from you. Due to expansion of our operations, for our office in Belgrade we are looking for:

Junior Valuation Consultant

3 candidates

RESPONSIBILITIES:

- Prepare valuation reports and provide assistance to other members of valuation department
- Be able to take day to day responsibility for execution of instructions under minimum supervision
- Ensure professional advice is provided thoroughly, accurately and within set deadlines
- Deliver activities and projects within client expectations (e.g. time, quality)
- Proactively seek and undertake on the job and formal developmental activities to broaden experience and knowledge
- Willing to travel extensively throughout Serbia and regional countries

EDUCATION AND EXPERIENCE

- Bachelor's degree (BA/BS) from four-year college or university (Faculty of Economics or Faculty of Organizational Sciences, Architecture, Civil Engineering)
- Knowledge of financial real estate terms and industry would be an advantage
- Business and report writing experience would be an advantage
- Relevant work experience is not required

SKILLS

- Driving licence Category B, with sufficient experience to enjoy driving
- Fluent in both written and spoken English
- IT skills (MS Word, Excel, PowerPoint, Outlook, Internet)
- Report writing skills
- Motivated to work under pressure and within short deadlines

ADDITIONAL QUALIFICATIONS

- Personal interests in economic trends, market fundamentals and financial analysis
